## ANNUAL MEETING

**Tuesday, May 9, 2017, 7 p.m.**  
**Jessica Lahey: Adventures in Publishing**

The Friends of Lyme Library (FoLL) invite you to join them at their Annual Meeting on Tuesday, May 9, 7:00 to 8:30, at the Converse Free Library. We are so pleased to have as our special guest **Jessica Lahey**, Lyme neighbor and author of the best-selling *The Gift of Failure: How the Best Parents Learn to Let Go So Their Children Can Succeed*. Jess's presentation on the 9th will be "Adventures in Publishing."

We do hope you will join us for this special event. The evening will begin with a very brief business meeting and, as always, refreshments will be served.

Coffee and tea are always available for library patrons.

Have you visited the Little Free Library on the Common?

## Supporting the Library

The Friends of Lyme Library was founded in 1983 to support the Converse Free Library and to enhance the community's enjoyment of and involvement with the

library. We raise and spend about \$10,000 per year, with the help of community donations and our used book sales. We are proud to support our vital library!

## Joanne Sohrweide, 1934-2016

We want to acknowledge Joanne Sohrweide's contributions to the Friends over the last several years and the generous donations made in her memory. Through these gifts, we will be sponsoring music programs for children and enhancing the library's collection of books of and about music. Joanne's love of children, choral music, and libraries will be reflected in these offerings.

The Friends had two very successful book sales in 2016 and maintained the ongoing book sale in the lobby, making library enhancements possible. Thank you!

Left: Board Book mobile bin. Center: Enjoying the New York Times. Right: DVD rack holds 2,000+ DVDs!

We sponsor the Summer Reading Program, which encourages engagement with books and the library during summer months.

Your 2016 donations made all this (and more) possible. The Friends also provided subscriptions to numerous papers and magazines, offered museum passes, and presented art shows in the Betty Grant Gallery. Just imagine what your 2017 donations will do for our library!
