FRIENDS OF LYME LIBRARY

PO Box 218, Lyme, NH 03768

Dear library supporter,

Friends of Lyme Library (FoLL) was founded in 1983 to support the Converse Free Library and to enhance the community's enjoyment of and involvement with the Library.

This year, we are continuing with our project to enhance the side entrance to the library building. Thank you for your support so far! Take a look at the photos in this newsletter of the progress we've made so far. Among the accomplishments to date:

- moved the book drop to a more accessible location and purchased a cart for staff to retrieve returned books (left)
- purchased a small storage shed (see other side)
- added a bike rack off the parking lot (beside the shed)
- acquired a snowblower to make clearing snow on paths and the soon-to-be refinished entryways more efficient (check out Matt on page 2!)

With your help, we plan to finish the project this year, and have added a new goal:

- update (this summer!) the cement steps and platform by re-adjusting the stairs with more consistent rises and runs and topping them off with a durable finish
- landscape the side of the building near the book drop
- replace outdated track lighting in the Betty Grant Gallery downstairs

With your support, we will continue our usual programs in addition to funding special projects. Please consider a monetary gift to the Friends. We accept PayPal or credit cards (via the QR code on the next page) or checks sent to our postal address (or delivered to the library). Thank you!
